Experience

TD Synnex – Print Lab Manager

Manage end-to-end production of both in-house and third-party print projects for the US Marketing department. Provide Graphic Design and Prepress for special projects as needed.

Act as the primary liaison for coordinating with vendors, handling invoices, purchase orders, and facilitating communication among the events team, campaign managers, and project managers. Provided prepress support as required to ensure seamless project execution.

IndeXX Printing – Wide Format Manager

Directed operations for the Wide Format Department, overseeing graphic design, prepress, and project quality assurance.

Led installations and ensured the successful execution of graphic projects.

Provided comprehensive training and mentorship to junior operators to maintain high standards of performance and craftsmanship.

Z3 Graphics – Graphics Technician

Proficient in creating graphic design layouts with meticulous attention to detail.

Conduct comprehensive proofing to guarantee accuracy and consistency in all projects.

Skilled in operating Zund cutters to streamline production processes.

Execute graphic installations with precision and finesse to bring designs to life.
